**Part II Organizational Action** Attach additional statements if needed. See back of form for additional questions.

**14** Describe the organizational action and, if applicable, the date of the action or the date against which shareholders' ownership is measured for the action ▶ **During the year ended November 30, 2016, the issuer distributed to its shareholders, 100% of which constituted a non-taxable return of capital. See attachment for a list of distribution dates and return of capital amounts per share.**

**15** Describe the quantitative effect of the organizational action on the basis of the security in the hands of a U.S. taxpayer as an adjustment per share or as a percentage of old basis ▶ **The attachment provides the total distribution per share, as well as, the non-taxable return of capital per share, on a distribution by distribution basis. The return of capital per share should reduce the taxpayer's adjusted basis of each share held on the date of each listed distribution by 100% of the original distribution amount.**

**16** Describe the calculation of the change in basis and the data that supports the calculation, such as the market values of securities and the valuation dates ▶ **An analysis of the issuer's current and accumulated earnings and profits was performed as of 11/30/16 in order to determine the non-taxable return of capital.**

**Part II Organizational Action** (continued)

17 List the applicable Internal Revenue Code section(s) and subsection(s) upon which the tax treatment is based ▶ \$301(c) and §316(a)

Blank lines for listing applicable Internal Revenue Code sections.

18 Can any resulting loss be recognized? ▶ The return of capital per share should reduce the taxpayer's adjusted basis of each share held on the date of distribution. Upon disposition of all or a portion of the shares, the taxpayer should recognize greater gain or less loss.

Blank lines for providing information regarding resulting loss recognition.

19 Provide any other information necessary to implement the adjustment, such as the reportable tax year ▶ The reportable tax year of distribution is 2016. Actual return of capital will be reflected on the taxpayer's 2016 form 1099.

Blank lines for providing other necessary information for the adjustment.

Under penalties of perjury, I declare that I have examined this return, including accompanying schedules and statements, and to the best of my knowledge and belief, it is true, correct, and complete. Declaration of preparer (other than officer) is based on all information of which preparer has any knowledge.
