*The notional amount of each security is stated in the currency in which the security is denominated.

Interest rate may be fixed or variable depending on terms of the security. Interest rate disclosed is that which is in effect as of the date of this holdings report.

Market value and unrealized appreciation (depreciation) are stated in US Dollars unless otherwise noted.

The portfolio is actively managed and holdings are subject to change. There is no guarantee the Fund continues to invest in the securities referenced. The portfolio data is for informational purposes only. It does not constitute a recommendation or an offer for a particular security or fund, nor should it be taken as a solicitation or recommendation to buy or sell securities or other investments. An investment in the Fund involves risk, including loss of principal.

Unlike the Fund's regulatory filings, the portfolio data and its presentation in this document are not required to conform to Generally Accepted Accounting Principles (GAAP) and Securities and Exchange Commission (SEC) presentation requirements. Therefore, the information presented herein may differ from the complete statement of investments included in the annual and semiannual report to shareholders filed with the SEC on Form N-CSR, and the complete statement of investments provided in the first and third quarter SEC Form N-PORT filings for each fiscal year.
